

**SHIP ANYWHERE IN BC
WITH CONFIDENCE**

We've got you covered - Your transportation and logistics requirements are safe in our hands. We know your community. We grew up here, and our longevity and success have allowed us to develop a strategic network of 25 distribution facilities directly serving over 600 communities across British Columbia to meet all of your transportation and distribution requirements.

General (LTL) and (TL) Services

Clark Freightways' experience and expertise comes from over 50 years of service, growth, and innovation. We have a full range of cost effective and reliable general freight services, and we're deeply committed to providing you with reliable, on-time pickup and delivery services with competitive pricing. Whatever your requirements, we'll find the solution that fits.

Refrigerated and Frozen Services

Clark Freightways has been providing the highest standard of cold chain solutions for over 50 years. We are the largest, most experienced provider of temperature-controlled less-than-truckload (LTL) service in British Columbia. We've used our expertise to document tried and true, HACCP-compliant Standard Operating Procedures and Best Practices for Handling Perishable Commodities. We know how to do it, and we do it right.
